THINKPAD  
T420/T520 NOTEBOOKS

## THE NEW LENOVO THINKPAD T420 AND T520 NOTEBOOKS

WITH ENHANCED FEATURES FOR BETTER, ROUND-THE-CLOCK PERFORMANCE.

The ThinkPad® T420 and T520 notebooks offer the best combination of thin and light mobility and top performance features a business class user would require. Top performing features include 2<sup>nd</sup> generation Intel® Core™ processors offering 20% increase in performance and Intel® HD graphics with 2x performance over previous generation.

Lenovo also focused on supporting faster boot times by adding a new generation accelerated BIOS, system driver maximization and a Genuine Windows® 7 Operating System. Combine these features with Solid State Drive Technology and you simply get the best performance experience anyone could ask for. Lenovo also offers new features like

an exceptional HD video conferencing experience with a new HD 720p camera, latest HD LCD format and HD full-duplex microphones. VoIP microphone technology includes both private and conference chat modes with keyboard noise suppression technology.

Lenovo Instant Resume mode will continuously maintain wireless connectivity while putting the notebook to sleep or even closing the lid if configured. Now you can move office to office or building to building arriving at meetings already connected! The ThinkPad T Series constantly redefines the notebook business standard with no compromises!

### TOP REASONS TO OWN

- The perfect balance of mobility, manageability and security
- Mil spec tested for proven superior durability
- ThinkPad best choice enterprise notebooks
- Superior performance features like Lenovo RapidDrive technology
- Increased battery life. Up to 30 hours with bottom slice battery pack

### LENOVO ENHANCED EXPERIENCE 2.0 FOR WINDOWS® 7. FASTER AND OPTIMIZED FOR BUSINESS.

Lenovo Enhanced Experience 2.0 for Windows® 7 uses RapidBoot technology to start your PC on average 20 seconds faster than a typical Windows® 7 computer\*. And with superior web conferencing and robust security features, you'll benefit from increased productivity at the office. Find out more at [www.lenovo.com/win7ee](http://www.lenovo.com/win7ee)

\*Compares averaged data from Lenovo EE 2.0 PCs with averaged data from 42 competitor products of similar configuration. Testing conducted by CNET Labs, Beijing in November 2010, using the independent Microsoft® VTS tool to measure start-up, shutdown, resume and other Windows® 7 performance measurements. Data from competitor and Lenovo PCs were averaged and compared to calculate the claims used. Performance will vary by model and configuration.

Lenovo® recommends Windows® 7 Professional.

THINKPAD  
T420/T520 NOTEBOOKS

### TOP PERFORMANCE

The ThinkPad T420 and T520 offer top features for extreme performance:

- 2<sup>nd</sup> generation Intel® Core™ processors with Turbo Boost 2.0 technology
- Top graphic performance with Intel® HD integrated or NVIDIA® discrete graphics
- 15% better 3G performance with better design

### OUTSTANDING VoIP AND MULTIMEDIA EXPERIENCE

The ThinkPad T Series notebooks are equipped with features optimized for communication:

- Fn+F6 multimedia shortcut key to help you adjust communication settings quickly
- Advanced noise suppression microphone technology cancels keyboard clicks during calls
- New conference call or private chat modes easily managed with Lenovo communications software

### THINKPLUS® SUPPORT

Lenovo's award-winning Warranty Service and Support optimize productivity and end-user satisfaction by helping you concentrate more on your business objectives.

- **ThinkPlus Priority On-site Warranty\***  
Saves time, reduces costs and maximizes productivity, by providing you with faster, 24x7, direct access to advanced-level skilled technicians for hardware and software issues.
- **ThinkPlus Warranty On-site NBD Upgrades**  
Maximizes PC uptime and productivity by providing convenient and fast repair services at your place of business.
- **Warranty Extensions (1-year to 3-year)**  
Helps accurately budget for PC expense, protects your investment and lowers the overall TCO with a fixed-term, fixed-cost service solution.

### BEST ENTERPRISE-CLASS SECURITY

The ThinkPad T420 and T520 have multiple layers of security throughout the Hardware, software, BIOS and options:

- Encrypted hard disk drive technology including remote management support
- Integrated fingerprint reader with one-touch swipe for both power on and authentication
- Trusted Platform Module (TPM) and Lenovo Hardware Password Manager
- USB port enable or disable lock down settings in system BIOS
- Enterprise services to assist securing data and prevent loss

### COMPUTING IN COMFORT

The ThinkPad T420 and T520 are designed for the comfort of on-the-go professionals with:

- Keyboard design considered "Best in Class"
- T420 thin and light design starting under 5 lb
- Long battery life up to 30 hours with bottom slice battery option
- Advanced keyboard noise suppression technology
- Easy-to-access microphone, speaker and camera mute buttons

### THINKPLUS PROTECTION

Lenovo's Protection Services help you avoid unbudgeted repair costs, secure your data, save money and achieve peace of mind.

- **ThinkPad Protection (TPP)**  
Provides coverage for unexpected damage, unintentional drops and minor spills, thereby helping you eliminate unplanned repair costs.
- **Hard Disk Drive Retention**  
Allows you to retain the hard disk drive, should it happen to fail, thus helping you protect your valuable data.
